

2021 REPORT IMPACTING COMMUNITIES

Youth Core Ministries is **IMPACTING COMMUNITIES** by showing Jesus to kids and families through **INTENTIONAL TRANSFORMATIONAL RELATIONSHIPS** and **UNCONDITIONAL LOVE**. We help kids and families truly **LEARN TO THRIVE**.

Core Life is an entry point for unchurched youth, providing a safe place where they can come and be introduced to Jesus. Core Life is trauma-informed and pulls in at-risk teenagers every week. Core Life weekly meetings are a safe place to learn responsibility, to think through important issues, and to develop quality relationships with peers and caring adults. Core Life also includes one-on-ones, small groups, student leadership, summer camp, and many trips and events.

Youth Core connects mentors with young people to cultivate a strong, discipleship relationship and to positively influence their lives; including their spirituality, lifestyle choices, and future decisions. In March 2015, Harvard released a study saying,

“EVERY CHILD WHO WINDS UP DOING WELL HAS HAD AT LEAST ONE STABLE AND COMMITTED RELATIONSHIP WITH A SUPPORTIVE ADULT.”

Mobilizing rural communities to effectively address the issues of local poverty, Core Community builds incredible relationships with those in poverty by inviting them into a weekly program that provides support and community.

Those in poverty often feel disenfranchised and isolated. In this weekly program, we offer powerful information that has been missing in their worlds. Coupled with unconditional support, we are beginning to turn the tide of poverty in rural areas.

I know that I can always tell my mentor
anything that I want or need to tell her
because I trust her so much. I also know that
she will always be there for me no matter what!
